

HSLDA's GENERATION JOSHUA THE FUTURE OF AMERICA

Dear Judeo-Christian Leader,

September 20, 2010

Welcome to the Third Monday Evening Tele-Training, hosted by Public Awareness Ministries / PreserveLiberty.com. The outline for tonight's teaching, **Biblical Stewardship of Liberty -- 3 Simple Steps to Preserving America's Biblical Foundation**, presented by Will Estrada, Esq. (GenerationJoshua.org) and Mark Matta (PreserveLiberty.com), begins below on page 2.

Tea Parties, Town Halls, meetings, rallies, and conferences are vitally important, but what effective things will we do on our own home turf that really make a difference (without a big time commitment)?

While Glenn Beck, Sean Hannity, and Rush Limbaugh "sound the alarm" by telling us what's wrong in America and how it affects us, they do not give us a local plan to reclaim our nation for Christ through consistent united city-by-city prayer and work. This is our goal this evening...

Restoring America's Biblical and Constitutional foundation will require prayer and focused work of individual citizens like you and me. If only 10% of Christians (the percentage of Christians who have a Biblical worldview, Barna.org) will do the following simple things we'll describe, we will all go a long way toward reclaiming America's Biblical foundation and the liberty it gives us.

Share the vision of thousands of local groups across America, each of which has several churches or organizations tied-in, that consistently pray and work together city-by-city to advance Biblical values and God-honoring leaders. **Will you join us** in this holy cause? Will you encourage others to join us? **Thank you** for your time, prayers, and consideration.

--Praying and working together, city-by-city, to protect life, marriage, and America's Biblical foundation,

Biblical Stewardship of Liberty -- Three Simple Steps to Preserving America's Biblical Foundation

A. Following the example of Nehemiah – Praying and Working as Godly Stewards of America (William A. Estrada, Esq., Director of HSLDA's Federal Relations Department and Generation Joshua GenerationJoshua.org)

1. Change starts in our lives first. We must be good stewards of everything that God has given us (Matthew 25:14-30).
2. Group prayer. Great opportunities exist in your local church, school, homeschool support group, Generation Joshua Club, etc. Example of Nehemiah (Nehemiah 4:4-6,17; Ephesians 6:11-12).
3. Civic involvement (including two-minute ideas for impacting the coming election)
 - a. Letters to the editor – most-read section of newspaper. Can be simple.
 - b. Phone calls to your elected officials: Capitol Switchboard is 202-224-3121. This takes 2 minutes and makes a huge impact on a congressional office.
 - c. Visits, letters, to your elected officials. Don't know who they are? Visit <http://capwiz.com/hsllda/home/>
4. Vote! Get other people to vote! Join local organizations that may help with this.
